To Whom it May Concern:

Since 1999, Chris Hooper and I have participated in several ventures together. Also, I have regularly employed him on a contractual basis throughout the years and he has consistently provided a high level of service.

Chris has excellent organizational and planning abilities along with a fundamental desire to see things through to completion. He is energetic, motivated and intelligent. You can count on him in any situation; he truly strives for excellence in everything he does.

I highly recommend Chris, and can be contacted for additional information.

Sincerely,

Matthew T. Donowho
